

VDOT Access Overview

Cardinal Core user access (access beyond Employee Self-Service) is granted based on specific work that an employee needs to perform in the system and the associated security roles set up by their agency.

Cardinal HCM Employee Self-Service (ESS) access is granted systematically and does NOT require a security form. However, the Cardinal Security VDOT Access Form is required for any and all Cardinal core user access. The form must be completed by the agency's Cardinal Security Officer (CSO) and should include required signatures prior to submitting to the Cardinal Security Team in order for access to be granted in Cardinal.

The Cardinal Security VDOT Access form (**Cardinal SE-50100-01**) must be submitted to the Cardinal.Security@doa.virginia.gov email mailbox.

- Forms will be returned to the Cardinal Security Officer if information required is not complete or correct.
- Cardinal Security has a three business day turn around for completing forms once received.
- Email notifications regarding the creation of new Cardinal user accounts, and/or updates to those accounts, will be sent directly to the user and the CSO

Requesting Access

- In order to establish a Cardinal account, please retrieve the current version of the Cardinal Security VDOT Access Form (Cardinal SE-50100-001) from the Cardinal Project website at <http://www.cardinalproject.virginia.gov/security>.
- The agency Cardinal Security Officer (CSO) submits the Cardinal Security VDOT Access Form (Cardinal Form SE-50100-001) to the Cardinal Security Team at the following email address (cardinal.security@doa.virginia.gov) to have the account created.

To Add or Update Core User Access

1. Under **Security Action Requested** select the Add/Update Core user Access for users who need to be granted core roles or an update to an existing core user access.
2. Complete the Cardinal Security Form, checking every role the user needs (i.e., roles should be selected for all Cardinal applications the user needs access to, even if you are only making changes to roles in one application).
3. If you are submitting a form to delete a role, you will need to check every role the user currently needs and simply do not check the role you want deleted. **The Cardinal Security team will remove all roles that are not checked on the form.**
4. When updating an existing core user's access, run the PT_SEC_USER_ROLES query (in HCM and/or FIN as applicable) to identify the user's current access using the following path:
Main Menu > Reporting Tools > Query > Query Viewer. Key in the user's Cardinal User ID.

Cardinal Form SE-50100-001 Instructions

5. To view all of your Agency users, run the V_PT_SEC_ROLE_USERS query (in HCM and/or FIN as applicable). This query will show users and the roles assigned. You can also put in criteria to confirm if an account has been locked
6. Provide all required signatures – user, user’s supervisor, Cardinal Security Officer, VDOT Fiscal Officer for restricted roles and DOA Approver if Segregation of Duties roles are requested.
7. Email the completed form to the Cardinal.Security@doa.virginia.gov mailbox.

To Remove ALL Core User roles or Lock Out Core Users

1. Under **Security Action Requested** select the Remove/Lock Out Core user access for existing users whose core roles need to be removed. Actual account Lock Outs will only be completed for Contract Workers or HR Level 4 users, as they do not need ongoing system access to Employee Self-Service (ESS).
2. Complete the **User Information** section of the Cardinal Security Form.
3. Provide signatures from the user’s supervisor and the Cardinal Security Officer.
4. Email the completed form to the Cardinal.Security@doa.virginia.gov mailbox
5. In lieu of the Cardinal Security Form, the Cardinal Security Officer may send an email to Remove ALL Core User roles or Lock Out a Core User Cardinal account. Include the user’s name, user’s Cardinal ID, Business Unit, Department ID, Supervisors’ Name and copy the user’s supervisor on the email.

Overview of each section of the Cardinal Security VDOT Access Form:

1. **Security Action Requested** (Required)

Security Action Requested (select one)	
<input type="checkbox"/> Add/Update Core User Access (Complete all applicable fields and roles)	<input type="checkbox"/> Remove/Lock Out Core User Access (Complete User Information section only)

- a. **Add/Update Core User Access** – Check this box to grant Core User roles or update an existing Core User account.
- b. **Remove/Lock Out Core User Access** – Check this box if all Core User roles should be removed or if account needs to be locked for a contractor.

2. User Information (Required)

User Information	
Name - Last, First, Middle Initial <input type="checkbox"/> Name Change	Business Email Address (<i>first.last@vdot.virginia.gov</i>)
Department ID: <input type="text"/>	Employee ID: <input type="text"/>
User's Job Title: <input type="text"/>	Cardinal User ID: <input type="text"/>
Is the User a contract worker? If so, check box and provide User's Supervisor Name and Employee ID: <input type="checkbox"/>	
Supervisor Name: <input type="text"/>	Employee ID: <input type="text"/>
Requestor Information (only required for users with the Purchasing Requisition Processor role):	
SHIP TO CODE: <input type="text"/>	BILL TO CODE: <input type="text"/>
Phone: <input type="text"/>	Fax: <input type="text"/>

- a. **Name** – Last, First, Middle Initial (e.g., Doe, John B.)
- b. **Name Change** – Check this box if this is an existing Core User with a name change. Employees should initiate all name changes with their agency HR department.
- c. **Business Email Address** – Enter the user’s business email address (e.g., John.Doe@agency.virginia.gov) (Note: For a new agency users, make sure users have logged on to their email in order for their account to show up in OKTA Directory before submitting security form)
- d. **Department ID Number** – Enter your Division/District 5-digit Department ID (e.g., **10015**-Fiscal Division, **12041**-Salem District, etc.)
- e. **Employee ID Number** – Employee ID number is the 11-digit number assigned by Cardinal (e.g., 00123456700). You must enter the full 11-digit number on this form.
- f. **User’s Job Title** – User’s current job title (e.g., Financial Services Specialist)
- g. **Cardinal User ID** – Needed for Existing Users (including ESS users requesting Core User access).
 - i. Leave this field BLANK for New Contractors.
 - ii. If you are unaware of a user’s existing ID please run the V_PT_SEC_ROLE_USERS query (in HCM or FIN as applicable). This query will show User ID, Dept. ID, Account Lock (yes or no), Business Unit, Oprid Description and security roles for the selected application (HCM or FIN).
- h. **Check box if contract worker?** Check this box only if the user is a Contract Worker (e.g., without a Cardinal Employee ID).
- i. **Provide Supervisor Name and supervisor Employee ID Number for contract workers only.**
- j. **Requester Information** – only required for users with the **Purchasing Requisition Processor** role.
 - i. Provide the Ship To and Bill To Codes, not addresses. Contact VDOT’s Cardinal Security Officers in Central Office Fiscal Division for a listing if needed.
 - ii. Ship To Code – User the drop down feature to select the correct code.
 - iii. Bill To Code – Use the drop down feature to select the correct code.

- iv. Phone – User’s current phone number including the area code (e.g., 804-555-1212)
- v. Fax – Optional

3. FIN Section

Complete this section as applicable for users requiring core access to FIN.

FIN Section - Accounts Payable, Accounts Receivable, General Ledger, Procurement and Project Accounting (if applicable)

a. Finance Primary Permission Lists

Finance Primary Permission Lists	
Primary Permission Lists:	<select one>

- i. **Primary Permission List** – select the required FIN Primary Permission List to which access is required by using the drop down box. The majority of VDOT FIN users should select the V_VXXXXA (General VDOT user) Primary Permission List. All other selections will require Fiscal Officer approval.
- ii. A detailed listing of Primary Permission Lists by Business Unit for each application (FIN, HCM) can be found on the Cardinal Project website. Choose only one FIN Primary Permission List per user.

b. Finance Read Only Access

Check here if only requesting Read Only Access to FIN:

- i. Check box if user is only requesting Read Only access to FIN and needs no additional FIN roles.
- ii. Read Only roles (Cardinal Reporter, Cardinal Viewer and PeopleSoft User) will be assigned. These roles are also assigned to users automatically when other FIN Core roles are selected.

c. Finance Expense Approver Profiles

Finance Expense Approver Profiles			
Expense Approver Profile for Workflow (only select one per user):		Check box if removing <i>from this user</i> : <input type="checkbox"/> Remove Profile	
<input type="checkbox"/> Agency Head	<input type="checkbox"/> Chief	<input type="checkbox"/> District/Division Administrator	
<input type="checkbox"/> Expense Coordinator	<input type="checkbox"/> Non-Travel Approver	<input type="checkbox"/> HR Representative	
If Expense Approver Profile is checked, enter range of DEPTIDs user approves: From <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> To <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>			

- i. **Expense Approver Profiles** – If a user is an Expense Approver and need a profile for transactions to route based on Department IDs, please check only one profile per user. You must supply the Department ID ranges user approves for. Profile is not needed if user is a supervisor or backup approver.
- ii. **Check box to Remove Profile** – If expense profile is no longer needed on user setup, please check box to have it removed.

Cardinal Form SE-50100-001 Instructions
