

### Agency to Agency Transactions Overview

Agency to Agency transactions (ATAs) include payments by one Agency to another for goods or services, as well as transfers of other funds, cash, etc.

When you receive a payment from another state Agency for goods/services, that Agency is treated as a customer. When entering a deposit for a payment from another state Agency, use that Agency's **Business Unit** as the **Customer ID** on the **Payments** tab of the **Regular Deposit** page, and select **ATA** as the **Payment Method**. (VDOT is an exception; VDOT uses their own unique set of Customer IDs.)

When you make a payment to another state Agency for goods/services provided to your Agency, that Agency is treated as a **Supplier**. When entering a voucher to pay another state Agency for goods/services, enter the Agency's **Supplier ID** on the **Voucher** page.

ATAs for other transfers are handled through a journal entry. The journal entry will need to be submitted to DOA to be uploaded and posted into Cardinal (CAPP- Cardinal Topic No. 20405). For detailed information on how to create a file to be uploaded, please refer to the job aid titled **SW GL332: Uploading Spreadsheet Journals**, located on the Cardinal website in **Job Aids** under **Learning**.
